Re: United States v. CIBA-GEIGY Corporation and
McGregor Chemical Corporation, Civil Action
No. W-83-CA-242

Dear Andy:

Enclosed is the original of the stipulation for Entry for Initial Response Action, which I have signed, along with the revised safety plan. I am also enclosing a copy of revised pages 2-3, 2-4, 4-1 and 4-2 for insertion into the copy of the safety plan previously forwarded to you. I understand that you will arrange for filing with the court.

Confirming our telephone discussions of last Thursday, July 12, we intend to undertake the initial response action at the McGregor site pursuant to the stipulation commencing on July 24, 1984. Preparation work will begin on Monday, July 23.

I look forward to meeting you at the site on July 23.

Sincerely,

Larry B. Feldcamp
